A Personal Message from Mark Woods

“I’m running for Clarkstown Town Council Ward 1 to ensure that our town:

- ★ **REMAINS** one of the safest in America
 - ★ **EXPANDS** recreation for children and families
 - ★ **KEEPS** our schools highly ranked and respected
 - ★ **PRESERVES** open space and parkland from development
-

Serving others has been my life’s work – in the U.S. Army, as New York City Police Officer, and now as Director of the County’s Veteran Peer Support Program. I would be honored to have your vote to continue to serve.”
